LogiLink®

Lightning to microSD iCard Reader

Art. No.: **AA0089**

The multifunctional memory card reader is designed for Lightning®-enabled iOS devices, gives your device extra storage spaces and saves time by skipping backuping files via iTunes. In addition, you can now share and exchange files with microSD card compatible devices like Windows PCs or a GoPro camera.

Features:
» Ultra compact design, easy to carry
» Equipped with a Micro SD card slot. Share and exchange files with Micro SD card compatible devices. (GoPro/ Windows PC etc)
» Expand iOS device's storage capacity with Micro SD card
» Back up and restore your photos, music, movies, calendar and contacts
» Able to playback MKV, AVI and many other video format with APP
» Support YouTube playback and download
» Upload and download files to Dropbox or Google Drive
» No battery or network required
» Secured file encryption for private files with APP
» MFi certification
» Free iNubes+ APP on iTunes® store
