DS-40135  
EAN 4016032388555

### Toslink Audio Switch 2x1 2x Toslink input, 1x Toslink output, with remote control

With the DIGITUS Audio Switch, you can connect up to two devices with a Toslink connector (e.g. receiver, computer, games console such as PS3/PS4 or Xbox/Xbox One, Blu-Ray player, Apple TV etc.) to one terminal device (sound bar, receiver, speakers, HiFi system). Switching between the connected devices can be performed manually using the selection buttons on the switch or alternatively using the included remote control. What's more, the 1-to-1 transmission ensures a brilliant sound quality without static or distortion.
