

# Accessorise your TomTom device

## Content and Services

### LIVE Services card

This card ensures that you always drive with a smart connection to the latest real-time route information for 12 months in all LIVE countries. Important note: For exact details about which countries and the coverage of the services per country please visit [www.tomtom.com/live](http://www.tomtom.com/live). Compatible with XL LIVE and GO LIVE.

### Map Update Service™ card

Always drive with the latest map. This card allows you to download every single release of your map during one or two years. That is 4 maps a year! Compatible with all current models.

### Safety Cameras card

This card gives you fixed safety camera alerts for 12 months, to help you to drive more safely and responsibly. Compatible with all non-LIVE devices.

### RDS-TMC traffic receiver

For the one-off cost of this traffic receiving car charger users can get traffic updates and let the TomTom device re-route them around congestion. Compatible with Start 2, ONE IQ Routes Edition, XL IQ Routes Edition, XXL.

## Combo Kits

Get the most from your navigation experience at a nice discount with the combo kits from TomTom. Whether you are a regular business traveler, an experienced user or you just bought your first navigation device, TomTom has the right combination of accessories for you.

### Travel Kit

- car charger.
- USB cable for connecting to TomTom and charging via your computer.
- Slim travel case for your device and accessories.

### Essentials Pack

- Home charger so you always start your trip with a full battery.
- Robust carry case.
